Total Monthly Expenses:

Weekly Expense Tracker

Fill in the dates from the start of the month in the left-hand box. For example, if the month starts on a Wednesday, the first "Wednesday" box would have a 1 in it. The right-hand side is for the amount spent that day. On the far right is a box to track whether you remained within your budget or not.

Monday		Tuesday		Wednesday		Thursday		Friday		Saturday		Sunday		Within Budget?

Notes:
